## About Northumberland Players Youth Theatre

Northumberland Players is a not-for-profit amateur theatre company bringing the best in musicals, comedies and drama to theatre lovers in Northumberland County. There are no employees. Enthusiastic volunteers present eight productions in four different venues over the course of a year. Northumberland Players Youth Theatre provides opportunities and experience for young people.

Each year at this time, the Youth Theatre presents a major Christmas production for local school classes. Young people who come to our summer theatre camps, along with others who just want to be on stage, audition for a roles along with adults who are available to take part in a show during the school day.

Then the fun begins -- actors rehearsing 3 times a week with the director; designers creating costumes, sets, sound designs and lighting plans; props people searching out and creating the best items to be used on stage; builders and painters creating the sets; and, last but not least, a producer or two pulling all the details together so the show is ready for you on opening day.

If you think you might like to be a part of the fun, either on stage or off, why not check us out at [www.northumberlandplayers.com](http://www.northumberlandplayers.com) or give us a call at 905-372-0577. One of our volunteer staff will be happy to return your call if no one is in the office.

We hope you enjoy the show.
